Please find attached a version of Ch 3 that Jane Ellen has provided. Thanks Jane Ellen. Jane Ellen also left one of the clearest voicemails I have received as well, which has been really helpful. I have been working on a revision of this, but it is not complete. Please look at Jane Ellen's comments in Chapter 3. Her comments appear in the text in Chapter 3 and highlighted in Yellow.

To give everyone time to read this (and maybe some additional text from me Tomorrow's meeting will start at 10:30.

Hi Glenn,
Sorry I was delayed this a.m. I was working at home yesterday and got to a point last night where I could no longer move around in the document and planned to do that first thing this a.m. – but had to deal with some things that I did not expect when I arrived this a.m.

Ex. 5 Deliberative Process (DP)

I can talk later today, around a couple of appointments or can talk tomorrow a.m. if you need some time to think things over.

BEST JES
